### Overview

We are a leading multi-asset class private market solutions provider in the alternative asset management industry. Our mission is to provide our investors differentiated access to a broad set of investment solutions that address their diverse investment needs within private markets. We structure, manage and monitor portfolios of private market investments, which include specialized funds and customized separate accounts within primary investment funds, secondary investments, direct investments and co-investments, (collectively, “specialized investment vehicles”) across highly attractive asset classes and geographies in the middle and lower middle markets that generate superior risk-adjusted returns. Our existing portfolio of private solutions include Private Equity, Venture Capital, Impact Investing and Private Credit. Our deep industry relationships, differentiated investment access and structure, proprietary data analytics, and our portfolio monitoring and reporting capabilities provide our investors the ability to navigate the increasingly complex and difficult to access private markets investments.

Our revenue is composed almost entirely of recurring management and advisory fees, with the vast majority of fees earned on committed capital that is typically subject to ten to fifteen year lock up agreements. We have an attractive business model that is underpinned by highly recurring, diversified management and advisory fee revenues, and strong free cash flow. The nature of our solutions and the integral role that our solutions play in our investors’ investment decisions have translated into high revenue visibility and investor retention.

We are differentiated by the scale, depth, diversity and investment performance of our solutions, which are bolstered by the investment expertise of our investment team, our long-standing access to leading fund managers, our robust and constantly expanding data capabilities and our disciplined investment process. We market our solutions under well-established brands within the specialized markets in which we operate. These include RCP Advisors 2, LLC (“RCP 2”) and RCP Advisors 3, LLC (“RCP3”, and collectively with RCP 2, “RCP Advisors”), Bonaccord Capital Advisors LLC, and P10 Advisors, LLC, our *Private Equity* solutions; TrueBridge Capital Partners LLC (“TrueBridge”), our *Venture Capital* solution; Enhanced Capital Group, LLC (“Enhanced”), our *Impact Investing* solution; and Five Points Capital, Inc. (“Five Points”), Hark Capital Advisors, LLC, and Westech Investment Advisors LLC (“WTI”), our *Private Credit* solutions (which Five Points also offers certain private equity solutions). We believe adding new asset class solutions will foster deeper manager relationships, enabling managers and portfolio companies alike to benefit from our offering and expect to expand within other asset classes and geographies through additional acquisitions and future planned organic growth by providing additional specialized investment vehicles within our existing investment asset class solutions. As of the date of this prospectus, we are pursuing additional acquisitions and are in discussions with certain target companies, however the Company does not currently have any agreements or commitments with respect to any acquisitions.

Our success and growth have been driven by our long history of strong performance and our position in the private markets ecosystem. We believe our growing scale in the middle and lower-middle market provides us a competitive advantage with investors and fund managers. In addition, our senior investment professionals have

developed strong and long-tenured relationships with leading middle and lower middle market private equity and venture capital firms, which we believe provides us with differentiated access to the relationship-driven middle and lower-middle market private equity and venture capital sectors. As we expand our offerings, our investors entrust us with additional capital, which strengthens our relationships with our fund managers, drives additional investment opportunities, sources more data, enables portfolio optimization and enhances returns, and in turn attracts new investors. We believe this powerful feedback process will continue to strengthen our position within the private markets ecosystem. In addition, our multi-asset class solutions are highly synergistic, and coupled with our vast network of general partners and portfolio companies, drive cross-solution sourcing opportunities.

Our global investor base includes some of the world's largest institutional investors, including pension funds, endowments, foundations, corporate pensions and financial institutions. In addition, we have a strong footprint within some of the most prominent family offices and high net worth individuals. We have a significant presence within the middle and lower middle-market private markets industry in North America, where the majority of our capital is currently being deployed as we leverage our differentiated solutions to serve our global investors.

The shares of Class A common stock beneficially owned by the Selling Stockholders covered by this prospectus may be offered and sold from time to time by the Selling Stockholders. The term "Selling Stockholders" includes donees, pledgees, transferees or other successors in interest selling shares of the Class A common stock received after the date of this prospectus from a Selling Stockholder as a gift, pledge, partnership distribution or other transfer. The Selling Stockholders will act independently of us in making decisions with respect to the timing, manner and size of each sale. Such sales may be made on one or more exchanges or in the over-the-counter market or otherwise, at prices and under terms then prevailing or at prices related to the then current market price or in negotiated transactions. The Selling Stockholders may sell the shares of Class A common stock by one or more of, or a combination of, the following methods:

- purchases by a broker-dealer as principal and resale by such broker-dealer for its own account pursuant to this prospectus;
- ordinary brokerage transactions and transactions in which the broker solicits purchasers;

- through a combination of any of the above methods of sale; or
- any other method permitted pursuant to applicable law.

In addition, any securities that qualify for sale pursuant to Rule 144 may be sold under Rule 144 rather than pursuant to this prospectus.

To the extent required, this prospectus may be amended or supplemented from time to time to describe a specific plan of distribution. In connection with distributions of the securities or otherwise, the Selling Stockholders may enter into hedging transactions with broker-dealers or other financial institutions. In connection with such transactions, broker-dealers or other financial institutions may engage in short sales of our securities in the course of hedging the positions they assume with the Selling Stockholders. The Selling Stockholders may also sell our securities short and redeliver the shares to close out such short positions. The Selling Stockholders may also enter into option or other transactions with broker-dealers or other financial institutions which require the delivery to such broker-dealer or other financial institution of securities offered by this prospectus, which securities such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). The Selling Stockholders may also pledge securities to a broker-dealer or other financial institution, and, upon a default, such broker-dealer or other financial institution, may effect sales of the pledged securities pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The Selling Stockholders may enter into derivative transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. If an applicable prospectus supplement indicates, in connection with those derivatives, the third parties may sell securities covered by this prospectus and the applicable prospectus supplement, including in short sale transactions. If so, the third party may use securities pledged by the Selling Stockholders or borrowed from the Selling Stockholders or others to settle those sales or to close out any related open borrowings of securities, and may use securities received from the Selling Stockholders in settlement of those derivatives to close out any related open borrowings of securities. If applicable through securities laws, the third party in such sale transactions will be an underwriter and will be identified in the applicable prospectus supplement (or a post-effective amendment). In addition, the Selling Stockholders may otherwise loan or pledge securities to a financial institution or other third party that in turn may sell the securities short using this prospectus. Such financial institution or other third party may transfer its economic short position to investors in our securities or in connection with a concurrent offering of other securities.

In effecting sales, broker-dealers or agents engaged by the Selling Stockholders may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts or concessions from the Selling Stockholders in amounts to be negotiated immediately prior to the sale.

In offering the securities covered by this prospectus, the Selling Stockholders and any broker-dealers who execute sales for the Selling Stockholders may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. Any profits realized by the Selling Stockholders and the compensation of any broker-dealer may be deemed to be underwriting discounts and commissions.

In order to comply with the securities laws of certain states, if applicable, the securities must be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states the securities may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

We have advised the Selling Stockholders that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of securities in the market and to the activities of the Selling Stockholders and their affiliates. In addition, we will make copies of this prospectus available to the Selling Stockholders for the

Section 145(a) of the DGCL provides, in general, that a corporation may indemnify any person who was or is a party to or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), because he or she is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding, if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Section 145(b) of the DGCL provides, in general, that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor because the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made with respect to any claim, issue or matter as to which he or she shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or other adjudicating court determines that, despite the adjudication of liability but in view of all of the circumstances of the case, he or she is fairly and reasonably entitled to indemnity for such expenses that the Court of Chancery or other adjudicating court shall deem proper.

Additionally, our Charter eliminates our directors' liability to the fullest extent permitted under the DGCL. The DGCL provides that directors of a corporation will not be personally liable for monetary damages for breach of their fiduciary duties as directors, except for liability for:

- any breach of his duty of loyalty to us or our stockholders;
- acts or omissions not in good faith, or which involve intentional misconduct or a knowing violation of law;
- unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the General Corporation Law of the State of Delaware; or
- any transaction from which the director derived an improper personal benefit; or improper distributions to stockholders.

If the DGCL is amended to authorize corporate action eliminating or further limiting the personal liability of directors, then the liability of the Company's directors will be eliminated or limited to the fullest extent permitted by the DGCL, as so amended.

In addition, we have entered into separate indemnification agreements with our directors and officers. These agreements, among other things, require us to indemnify our directors and officers for certain expenses, including attorneys' fees, judgments, fines, ERISA excise taxes, penalties and amounts paid in settlement by or on behalf of the indemnitee actually and reasonably incurred by such indemnitee in connection therewith.

We maintain a directors' and officers' insurance policy pursuant to which our directors and officers are insured against liability for actions taken in their capacities as directors and officers. The foregoing summaries are subject to the text of the DGCL, the registrant's amended and restated certificate of incorporation and amended and restated bylaws, and the indemnification agreements referred to above, and are qualified in their entirety by reference thereto.

### **Item 15. Recent Sales of Unregistered Securities.**

On October 20, 2021, in connection with our initial public offering, the Company undertook certain transactions as part of the P10 Reorganization, pursuant to which, among other things, P10 Intermediate Holdings, a subsidiary of P10 Holdings in which P10 Holdings owned all of the outstanding common units and in which members of the Company's management, including employees, and other investors, owned preferred units, with P10 Intermediate Holdings surviving. In connection with this transaction, the Company issued an aggregate of 97,155,596 shares of the Company's Class B common, with the preferred unit holders received Class B common stock of the Company in exchange for their preferred units, on a 1-for-1 basis (one share of Class B common stock for each preferred unit). Holders of Class B common stock may elect to convert shares of Class B common stock on a one-for-one basis into Class A common stock at any time. After a Sunset (as defined below) becomes effective, each share of Class B common stock will automatically convert into Class A common stock. A "Sunset" is triggered by any of the earlier of the following: (i) the Sunset Holders (as defined in the Company's amended and restated certificate of incorporation) cease to maintain direct or indirect beneficial ownership of 10% of the outstanding shares of Class A common stock (determined assuming all outstanding shares of Class B common stock have been converted into Class A common stock), (ii) the Sunset Holders collectively cease to maintain direct or indirect beneficial ownership of at least 25% of the aggregate voting power of the outstanding shares of common stock, and (iii) upon the tenth anniversary of the effective date of the Company's amended and restated certificate of incorporation.

On October 13, 2022, P10 Intermediate and the Company completed the acquisition (the "Acquisition") of all of the issued and outstanding membership interests of WTI, in accordance with the terms and conditions of the and Purchase Agreement, dated August 25, 2022 (the "Sale and Purchase Agreement"). The purchase price paid at the closing of the Acquisition, which was subject to certain customary closing adjustments, consisted of

approximately of \$97,000,008 in cash and an aggregate of 3,916,666 membership units representing limited liability company interests of P10 Intermediate (“Buyer Units”). Subject to certain conditions, the Buyer Units are exchangeable into shares of Class A common stock of the Company on a one-for-one basis, pursuant to the Exchange Agreement entered into on August 25, 2022, by and among P10 Intermediate, the Company and the other signatory parties thereto (the “Exchange Agreement”). The Class A units of the Company acquired under the Exchange Agreement are subject to a restricted period in which the holder cannot offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, such Class A common stock beneficially owned. The restricted period terminates as follows: (i) with respect to one-third of the Class A common stock held by such stockholder, on October 21, 2022; (ii) with respect to two-thirds of the Class A common stock held by such stockholder, on October 21, 2023; and (iii) with respect to all of the Class A common stock held by such stockholder, on October 21, 2024.

In addition, the Seller Recipients (as defined in the Sale and Purchase Agreement) are eligible to receive additional consideration upon the achievement of certain earn-out milestones during the earn-out period from January 1, 2023 to December 31, 2027 (as may be extended in certain events) pursuant to the Sale and Purchase Agreement, subject to potential reduction in accordance with the terms of the Sale and Purchase Agreement, and employees of WTI are eligible to receive bonus compensation for achievement of these earn-out milestones from an employee retention bonus plan established at closing. The earn-out milestones and aggregate consideration and bonuses payable is as follows: (i) \$35,000,000 in consideration in the aggregate (without interest) based upon the achievement of \$20,000,000 in EBITDA in any such four-quarter period; (ii) \$17,500,000 in consideration in the aggregate (without interest) based upon the achievement of \$22,500,000 in EBITDA in any such four-quarter period; and (iii) \$17,500,000 in consideration in the aggregate (without interest) based upon the achievement of \$25,000,000 in EBITDA in any such four-quarter period. Pursuant to the Sale and Purchase Agreement, any future earn-out payments payable to the Seller Recipients will be forfeited in the event such Seller Recipient’s employment with WTI or one of its Affiliates is terminated by WTI for Cause (as defined in his Employment Agreement) or by such Seller Recipient without Good Reason (as defined in his Employment Agreement) prior to the last day of a quarter in which any applicable earn-out milestone is achieved. Any earn-out payment will be paid in cash; provided, that up to 50% of the earn-out payments payable to the Seller Recipients pursuant to the Sale and Purchase Agreement, at a Seller Recipient’s option, will be paid in Units of P10 Intermediate which may be converted into shares of Class A common stock of the Company.

In connection with the closing, the Company also granted options to acquire 1,000,000 shares of the Company’s common stock in the aggregate to induce the Seller Recipients to continue their employment with the Company and its subsidiaries following closing. Moreover, the Company granted additional options to acquire 3,000,000 shares of the Company’s common stock in the aggregate to continuing employees who are not Seller Recipients, with such options cliff vesting on the date that is five years following the grant date, with a per share exercise price equal to the value of a share of the Company’s common stock on the grant date.

The above descriptions of the Sale and Purchase Agreement and the Exchange Agreement do not purport to be complete and are subject to, and qualified in their entirety by, the full text of the Sale and Purchase Agreement and Exchange Agreement, which were filed as Exhibit 10.25 and Exhibit 10.26, respectively, to the registration statement of which this prospectus forms a part.

The securities described above were issued in reliance upon an exemption from the registration requirements of the Securities Act, pursuant to Section 4(a)(2) thereof as a transaction not involving any public offering.

**Item 17. Undertakings.**

- (a) The undersigned registrant hereby undertakes:
  - (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
    - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act;
    - (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee Tables” or “Calculation of Registration Fee” table, as applicable, in the effective registration statement; and
    - (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however*, that: Paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended, that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
  - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
  - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

## Table of Contents

- (5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
  - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
  - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
  - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (6) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

Re: Registration Statement on Form S-1

Ladies and Gentlemen:

We have acted as counsel to P10, Inc., a Delaware corporation (the “Registrant”), in connection with the preparation and filing by the Registrant of a Registration Statement on Form S-1 (as amended, the “Registration Statement”) with the Securities and Exchange Commission (the “Commission”) with respect to the registration under the Securities Act of 1933, as amended (the “Act”), of the proposed resale by the selling stockholders named in the Registration Statement of up to 56,553,931 shares of the Registrant’s Class A common stock, par value \$0.001 per share (the “Class A Common Stock”), consisting of (i) 4,572,455 outstanding shares of Class A Common Stock (the “Issued Shares”), (ii) up to 50,667,351 shares of Class A Common Stock (the “Conversion Shares”) issuable upon conversion of shares of the Company’s Class B common stock, par value \$0.001 per share, (iii) up to 442,064 shares of Class A Common Stock issuable upon vesting and settlement of restricted stock units (the “RSU Shares”), (iv) up to 21,875 outstanding restricted shares of Class A Common Stock that remain subject to vesting (the “Issued Restricted Shares”) and (v) up to 850,186 shares of Class A Common Stock issuable upon exercise of stock options (the “Option Shares”, and together with the Conversion Shares and the RSU Shares, the “Issuable Shares”, and the Issuable Shares, together with the Issued Shares and Issued Restricted Shares, the “Shares”).

We have reviewed copies of (i) the Registration Statement and the related form of prospectus included therein, in substantially the form filed or to be filed with the Commission pursuant to the Act, (ii) the Registrant’s certificate of incorporation and bylaws, each as currently in effect on the date hereof, and (iii) resolutions of the Board of Directors of the Registrant authorizing the issuance of the Shares and the filing of the Registration Statement.

We have also reviewed such other documents and made such other investigations as we have deemed appropriate. As to various questions of fact material to this opinion, we have relied upon statements, representations and certificates of officers or representatives of the Registrant, public officials and others. We have not independently verified the facts so relied on.

Based upon the foregoing, and subject to the qualifications, limitations and assumptions set forth herein, we are of the opinion that (i) the Issued Shares and the Issued Restricted Shares have been legally issued and are fully paid and non-assessable; and (ii) the Issuable Shares will, when issued upon conversion, vesting or exercise, as applicable, and sold in the manner described in the Registration Statement, be legally issued, fully paid and non-assessable.

We do not express any opinion with respect to any law other than the General Corporation Law of the State of Delaware. This opinion is rendered only with respect to the laws and legal interpretations and the facts and circumstances in effect on the date hereof.

We hereby consent to the use of this opinion as an exhibit to the Registration Statement and to the use of our name under the caption “Legal Matters” in the prospectus included in the Registration Statement. In giving this consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Act or the rules and regulations promulgated thereunder.

Very truly yours,
